---

University seeks to provide diligent advising for students and to focus on teaching students to think clearly and critically, to make logical and ethical judgments, and to communicate effectively with others.

West Chester University's community strongly supports the principles of academic integrity and academic responsibility, viewing both as the province of every member of the campus community. We hold the highest esteem for teaching directed toward student learning and affirm that mastery of content as well as mastery of teaching skills necessary to communicate such content is paramount.

This values statement is intended to be a living document which will serve West Chester University as it changes and evolves in the coming years.

## **The History of West Chester University of Pennsylvania**

Founded in 1871, West Chester University began as West Chester Academy, a private, state-aided school that existed from 1812 to 1869. The academy enjoyed strong support from the highly intellectual Chester County Cabinet of the Natural Sciences of the pre-Civil War decades. It was recognized as one of Pennsylvania's leading preparatory schools, and its experience in teacher training laid the groundwork for the normal school years that were to follow.

As the state began to take increasing responsibility for public education, the academy was transformed into West Chester Normal School, still privately owned but state certified. The normal school admitted its first class, consisting of 160 students, on September 25, 1871. In 1913, West Chester became the first of the normal schools to be owned outright by the Commonwealth.

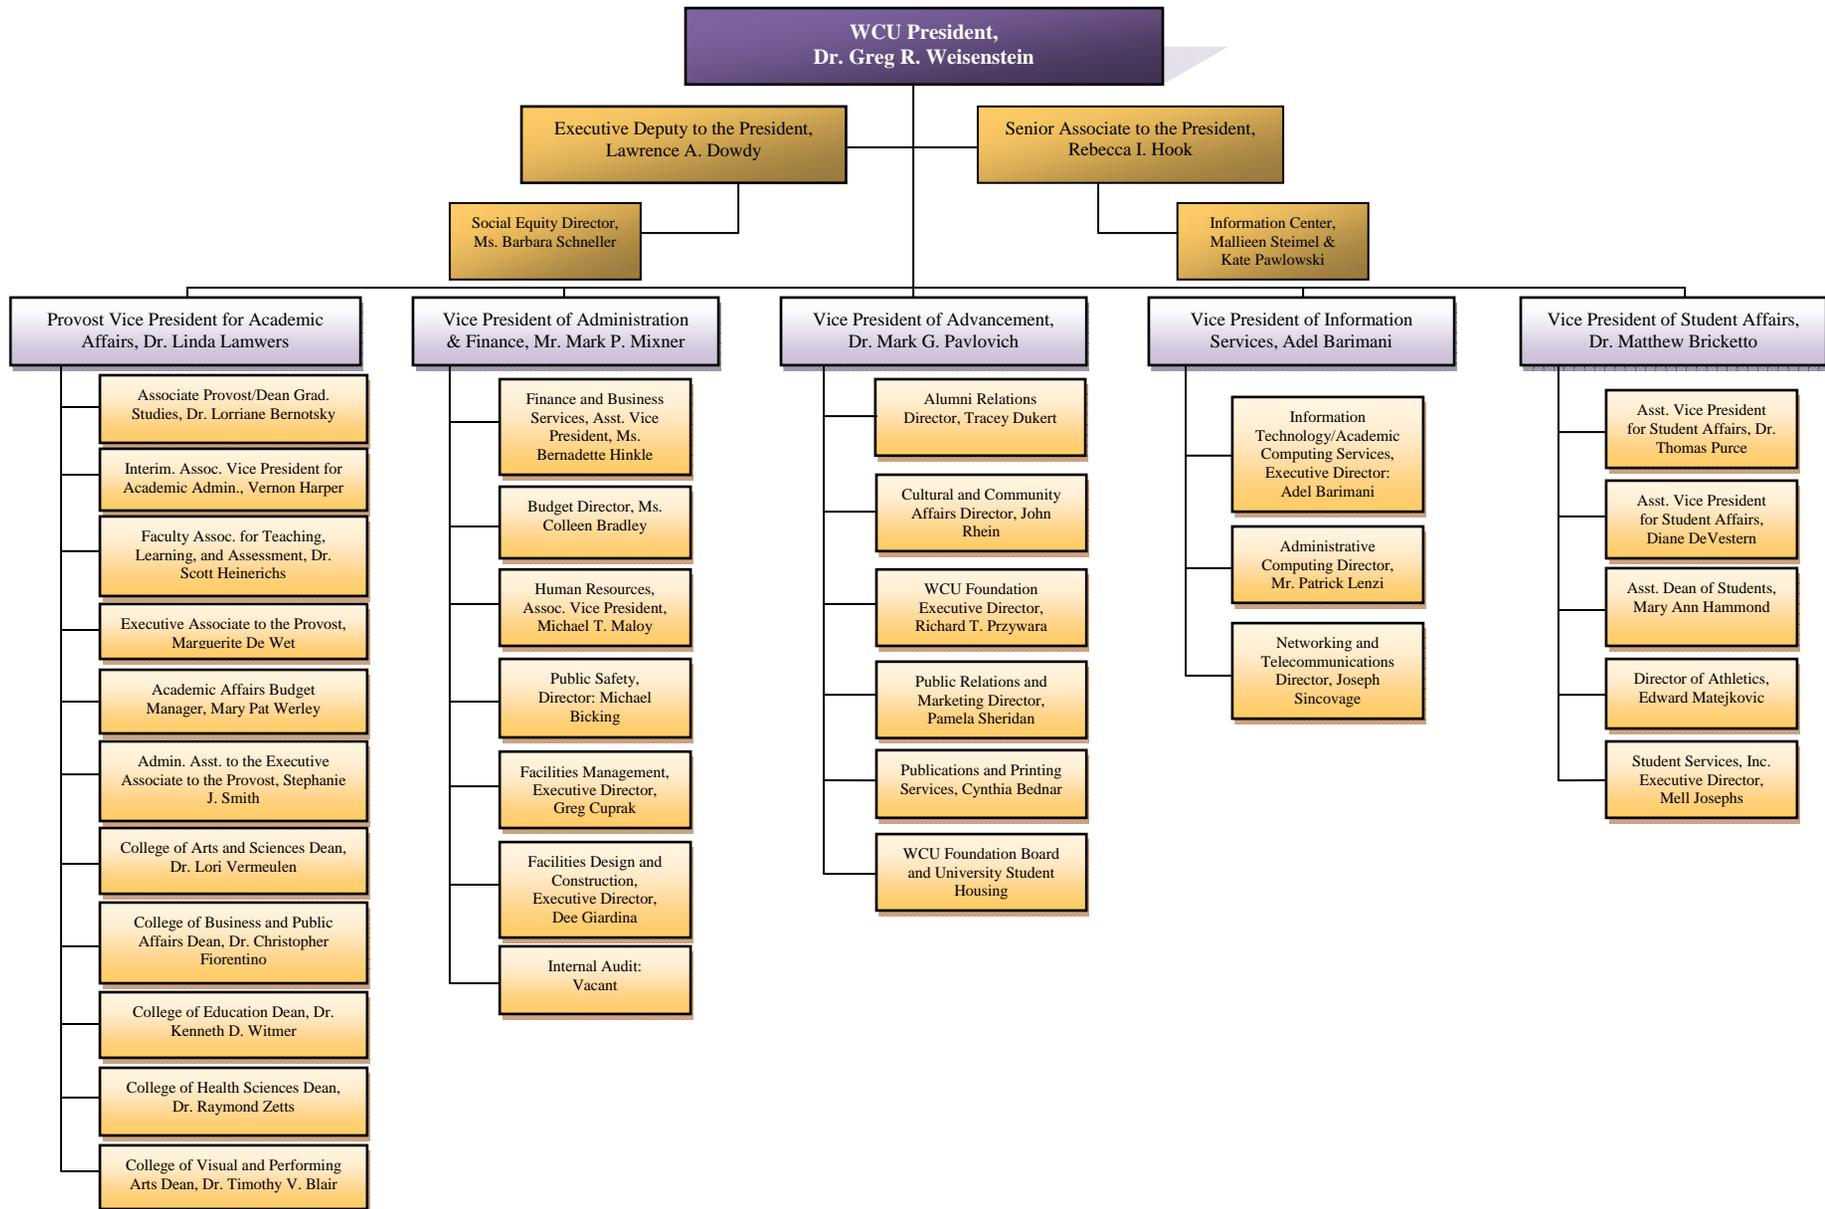

West Chester became West Chester State Teachers College in 1927 when Pennsylvania initiated a four-year program of teacher education. In 1960, as the Commonwealth paved the way for liberal arts programs in its college system, West Chester was renamed West Chester State College, and two years later introduced the liberal arts program that turned the one-time academy into a comprehensive college.

In recognition of the historic merit of the campus, in 1981 the West Chester State College Quadrangle Historic District was placed on the National Register of Historic Places. The buildings included in this historic district are Philips Memorial Building, Ruby Jones Hall, Recitation Hall, and the Old Library. Except for Philips, these buildings are all constructed of native Chester County serpentine stone.

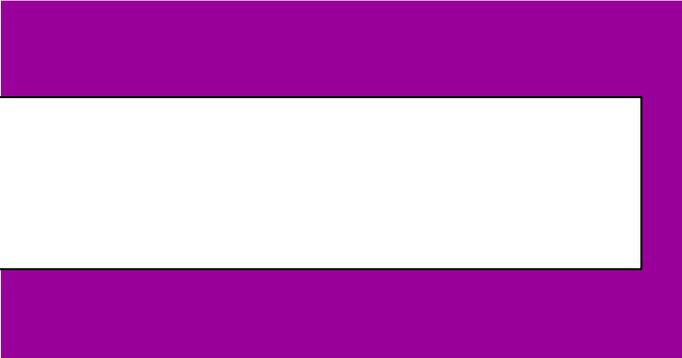

West Chester State achieved another major milestone with passage of the State System of Higher Education bill. West Chester became one of the 14 universities in the State System of Higher Education on July 1, 1983. Along with its new name -- West Chester University of Pennsylvania of the State System of Higher Education -- the institution acquired a new system of governance and the opportunity to expand its degree programs.

## Undergraduate Admissions Standards

West Chester University prides itself on the holistic approach used in evaluating applicant credentials. Each application is reviewed individually, and we carefully consider scholastic performance and academic preparation to determine an individual's potential for success.

For regular admission as a first-year student we recommend successful completion of a college preparatory curriculum in high school, honors and AP classes are a plus, rank in class in the 50th percentile or better, a grade point average of 3.00+, and a minimum combined SAT score of 1020 or better (prefer a minimum of 500 in both verbal and math). It is important to realize that these factors are guidelines for consideration. The academic profile of the regular admits who enroll at West Chester University is a mean SAT combined score of 1077, a rank in the top third of their class or 69% percentile, and a grade point average of 3.47.

Applicants who do not meet regular admissions standards may be considered for a special admissions program if appropriate or denied admission and counseled to enroll at another college or university for a minimum of 24-30 credits before reapplying as a transfer student.

Transfer applicants must have a minimum grade point average of 2.00 for admissions consideration. The majority of our transfers have a Cumulative GPA of 2.50 or better prior to transferring to the University. Some of our academic programs require a higher grade point average and specific course prerequisites. Pennsylvania Community College students who have earned an Associate of Arts or Associate of Science degree and students who have completed 12 or more transferable credits from a State System University with a 2.00 or above have an Academic Passport that provides entry into any university in the State System of Higher Education. For more information on admissions requirements and the Academic Passport, please contact the Office Admissions at (610) 436-3411 or e-mail [ugadmiss@wcupa.edu](mailto:ugadmiss@wcupa.edu)
