## Your feedback matters!

Hello First Name,

West Chester University is committed to ensuring the quality of the teaching and learning experience of our students. An important component of this is student feedback. It's time to provide feedback on your instructors. Please take a few moments to complete the surveys linked below. We value your input.

**The following online surveys are currently available:**

*Remember your survey is not complete until you click the "Submit" button on the last page of the survey.*

### It's quick.

Most students complete the survey in less than 5 minutes. The online system is mobile-friendly and easy to use on the go!

### It's confidential.

Your instructor will never see your name or ID attached to your individual responses. Additionally, your anonymized feedback is not available to your instructor until after final grades have been submitted and posted.

### It's not just a formality.

Instructors use this valuable information to improve and enhance their courses and they appreciate the time you take to complete the survey and any individual comments you may choose to add.

**Important Note**

As you complete the survey, try to put aside your reaction to the course itself and focus on the quality of instruction provided by the instructor. Students should strive to avoid cultural and social biases when providing feedback on the Student Feedback on Instructor survey, focusing instead on the effectiveness of instruction. Such biases may include but are not limited to race, ethnicity, sexual orientation, gender identity or expression, national origin, religion, language, disability, and health related characteristics of your instructor. Students should also strive to avoid bias against their instructor due to course materials challenging their beliefs. Faculty have similarly committed themselves to avoiding cultural and social biases when evaluating student work and when there is disagreement with challenging course materials.

**Questions?**

Visit the [Student Feedback on Instructor website](#) for answers to Frequently Asked Questions. Contact us at [SFI@wcupa.edu](mailto:SFI@wcupa.edu).

Online surveys will end on the dates indicated above, so complete your surveys soon. Your participation is important to help us make West Chester a better university.
